

Ahmet Anil Demirhan.

Senior Video Editor · Motion Designer · AI Video

Senior Video Editor with 8+ years across digital publishing and D2C marketing. Experienced in high-volume ad production for Meta and YouTube, working with PPC and creative teams to deliver performance-focused content. Background in documentary-style and long-form storytelling, strong motion design in After Effects, and generative AI workflows that combine language, image, video and voice models.

EXPERIENCE

BeezB

Jun 2026 — Present

Motion Designer / Video Editor

- Creating motion-driven video content and ad creatives for D2C brands.
- Built generative AI pipelines — LLMs plus image and video generation models — for ideation, production and automating exports, captioning, review handoffs and asset organization.

Kendago

Apr 2023 — Feb 2026

Senior Video Editor · D2C Marketing Agency

- Produced 50+ direct-response ad creatives per month for Meta and YouTube funnels (VShred, HBI, Svelte), supporting campaigns responsible for millions in paid ad spend.
- Collaborated with PPC managers and creative leads to develop and implement video concepts.
- Ran structured testing: A/B variations, angle, hook, core offer and CTA tests, plus CTV adaptations.
- Conducted market and competitor research to identify creative opportunities.
- Analyzed CPA, ROAS and conversion rates to guide creative iterations.

Sheesha Finance & Cointelegraph

Mar 2022 — Mar 2023

Video Animator / Editor · Contract

- Produced motion-driven promotional videos and marketing content for Web3 and crypto brands.
- Created short-form promos combining motion graphics, voiceover, 3D elements and music.
- Built adaptable video templates for multi-platform social campaigns.
- Worked with fully remote international teams (50+ members) on tight schedules.

Interesting Engineering

Apr 2021 — Mar 2022

Senior Video Editor

- Produced videos for Interesting Engineering and its brands, reaching 18M+ subscribers across social platforms.
- Edited mini-documentary style content with cross-disciplinary teams.
- Delivered high-quality videos under tight deadlines, contributing to 200M+ total views.

Milliyet.com.tr & Posta.com.tr

Jul 2018 — Apr 2021

Videographer

- Produced daily video content for digital media brands reaching 60–100M+ monthly users.
- Managed end-to-end production: planning, editing, publishing and scheduling.
- Developed content for web and YouTube channels — Molatik, PembeNar, Milliyet Teknoloji, Posta TV.
- Created news-focused and social video content optimized for high-traffic audiences.
